The Hub, any suit, Eleven dollars, Wednesday, Thursday, Friday and Saturday.

The funeral of Marcos Chaves took place on the West side this morning. Deceased was aged 67 years, an old resident of Las Vegas and highly esteemed. He was an uncle of Atanacio Cobly, who is a printer employed in Revista Catolica office.

Order your cream from T. T. Turner.

Word comes from Albuquerque that Louis Tripp, a former railroad brakeman here and of recent years a grocer's clerk in the Duke city, is a very

sick man there. His mother will likely proceed to Albuquerque and bring him home, provided he is in condition to stand the trip.

The Hub is at it again, any suit in the house \$11.4 days only, beginning Wednesday morning bright and early.

Judge Henry L. Waldo, solicitor in New Mexico for the Santa Fe Railway company, with office here, has presented his married daughter, Mrs. A. T. Rogers, jr., wife of the attorney, with a handsome and costly automobile, a 1939 model Chalmers-Detroit 30 horse power machine.

A marriage license was procured at the county clerk's office here this morning and the wedding will likely take place late this afternoon. The bridal trip will be made to Grand Canyon, the parties starting on the first available train after the ceremony shall have been performed by Rev. Norman Skinner.

Any suit in the house, Alfred Benjamin included; in colors, blues and blacks. All go at the same money, \$11.00.

Dr. Thomas A. Olney, of Chicago, who left for the head of the Pecos this afternoon with a party, took out a fishing license, in compliance with territorial law, before starting on the trip. A. L. Breeding, of Texico, and J. D. Bratton of Lake Arthur, both New Mexico towns, have taken out general hunting licenses only, they being residents of the territory.

A letter has been received by friends in this city from the wife of F. A. Edwards, formerly foreman of the book binding department of The Optic, stating that Mr. Edwards had just returned from a prospecting trip. There has been a persistent report about town that Mr. Edwards had committed suicide, but this letter establishes the fact to the contrary conclusively.

The banks of the city have decided that, beginning July 15th, they will open at 10 o'clock, instead of at 9 o'clock as heretofore. The reason for the change is that so large a volume of the banking business comes through the mails that there is not time to work over the mail before opening the doors. After opening, the interruption, incident to waiting upon patrons, is too great to permit of the proper handling of the mail matter. Opening at 10 a. m. is a universal custom with banks throughout the country, and has long been in vogue both in Albuquerque and El Paso.

All Aboard for Harvey's! Carriage goes out Saturday morning returns following Friday. Leave orders at Murphy's or H. O. Brown Trading Co's.
